

Information about the Dual Diploma Program

Enrollment and payment methods

To complete this enrollment I understand that I will be required to pay the one-time registration fee of € 125.00. Said fee is valid for the entire duration of the program and is non-refundable. Following the forwarding of this enrollment form, I understand that I will be issued the invoice for the Enrollment Fee with the bank details for making payment. My enrollment for the admission test for the Dual Diploma Program will not be considered valid unless the Enrollment Fee has been paid by the last day for enrollment in the Program. Only once the admission test has been successfully passed will I be officially registered as a student and be given instructions for paying the Tuition Fee. The net Tuition Fee must be paid in two installments of 50% of the annual amount, as indicated on the invoice. This is issued in advance before the start of classwork for each academic semester. The Tuition Fee pertaining to each semester must be paid by the fifth day after the beginning of the semester, as per the deadline indicated on the invoice.

Cancellation policy

After passing the admission test, I will be entitled to a total refund of the fee of my fee for the immediate upcoming semester if I submit a written cancellation that is received by info@materdoppiodiploma.it within 5 working days after the date of starting the course (which varies for each semester), but not if the student has already started program coursework. No reimbursement of the semester in progress will be possible after this date. No payment of the Tuition Fee will be owed for the following semesters following withdrawal from the program.

Obligations of the student

I agree to make full payment of the semester before being admitted to the subsequent enrollments. I further understand that, if I intend to withdraw, I will notify the school by providing such written notice to the Program Director.

I am aware that, for the release of the Diploma, it is necessary for my Italian schooling to be validated and converted into the necessary credits, and for the appropriate documentation and certificates to be forwarded to Mater Virtual Academy. In the absence of this information and data released by the school (transcripts), Mater Virtual Academy will be unable to issue the Diploma, without this giving rise to any liability or further obligations on its behalf. Therefore, I undertake to authorize my school, by means of the

appropriate consent in accordance with art. 7 or 8 of EU Regulation 2016/679, to transfer my data to Mater Virtual Academy.

I accept that Mater Virtual Academy may cancel my registration in the event of non-compliance with the attendance, academic, or financial requirements, or if I disrupt the daily activities of the school. I understand that I must maintain satisfactory academic progress, as described in the Student-Parent Handbook (as amended), and I hereby accept all its points and the obligation to fulfil all financial obligations towards D.D. International and Mater Virtual Academy in their entirety before obtaining the Diploma. I am aware that I will be able to receive the qualification of my US High School Diploma only after having obtained the 24 credits required, meaning after having successfully completed the last academic year at the Italian high school.
